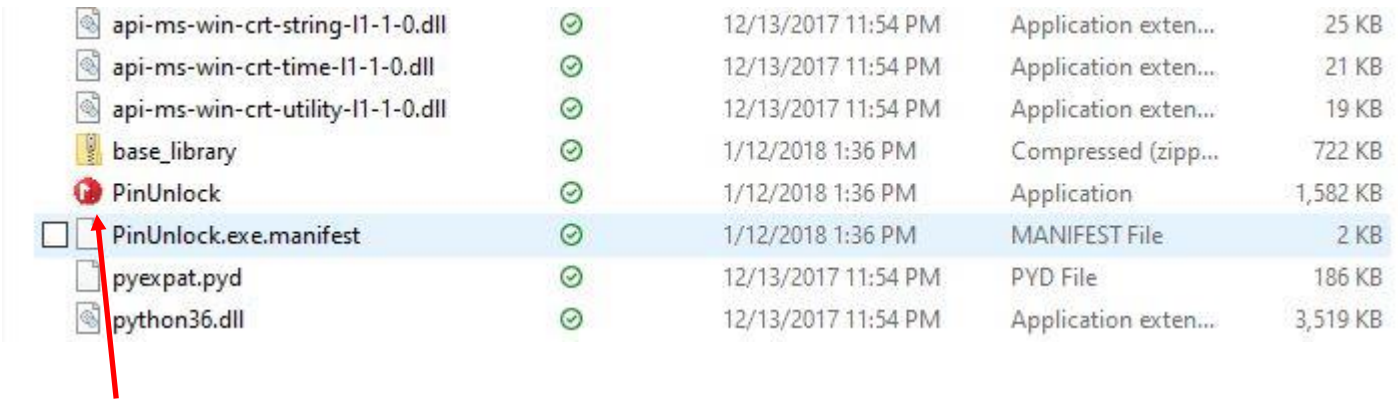
MTI

Installing The MTI Pin Unlock App

If necessary, temporarily unplug the scanner to free up a USB-A port

Insert provided USB stick into an available USB-A port

Open the USB Drive Folder and drag and drop the provided ZIP file to a suitable location on the tablet. Unzip the file.



The MTI Pin Unlock App is this icon

Pin the Pin Unlock icon to the Start Menu and/or the Task Bar

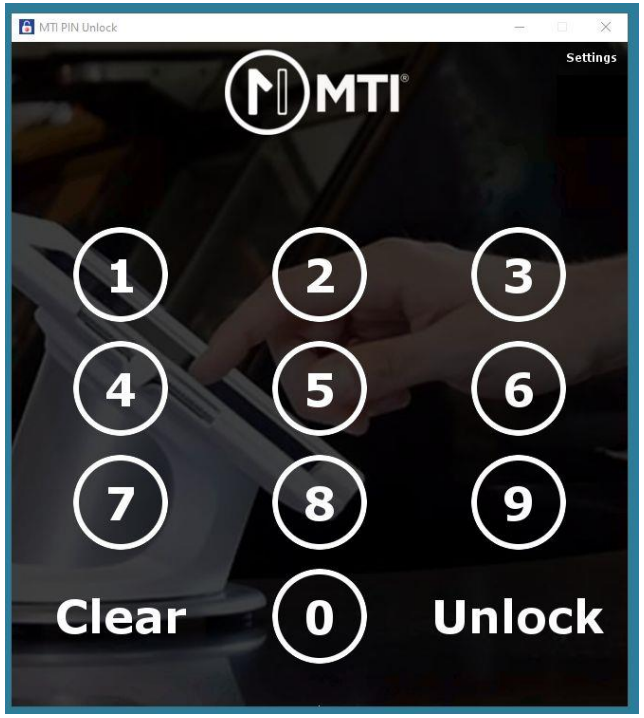
Undocking the Tablet with the PinUnlock App



Type a stored PIN number or the default PIN and push the Unlock button.
If the PIN is accepted, Green dots will be shown
If the PIN is not accepted Red dots will be shown
You should hear a “click” from the RapidDoc Mount as the latches disengage. The latches will stay open for 5 seconds, then re-close automatically

Peel Right to Left
To Release Tablet

Even though the tablet is unlatched, magnets prevent it from falling. To remove the tablet, simply “peel” the tablet from left to right or right to left to break the magnetic force

To redock, simply align the tablet mount with the RapidDoc Mount. It will magnetically guide into place and the latches will capture the tablet automatically
